

Learn new skills and a few things about yourself ...Accept the Origin Challenge

Origin provides live-in care services for young adults with a spinal injury who want to live an independent lifestyle in their own home, taking responsibility for the everyday choices that most of us take for granted. Origin is looking for people to join their close, friendly and well paid team, now, and have long and short term vacancies available across the UK.

'Not only did I learn new skills but I also learned some things about myself too!'

'The job is about creating independence for another person, it is not all about YOU!'

'When you forget the client is in a wheelchair you know you have really got to know the person, not the disability.'

'Recognising what people with a disability can do, not what they can't, is quite a life changing experience.'

To apply you must:

- Hold a full driving licence
- Be aged between 21-40
- Hold a valid UK work permit
- Speak fluent English

If you are interested in becoming a Personal Assistant please fill in the on-line application form.
