

Long term and short term vacancies ...waiting for you now!

We have clients nationwide and vacancies for live-in carers like this one:

'Thanks to digital technology I am able to work from home. Therefore I do not need to suffer the daily commute into the office. I don't have to be 'suited and booted' but live in t shirts and jeans and I'm very happy to have a bowl of soup or a sandwich for lunch...so as you can see I'm not too 'high maintenance'. Because I have a spinal injury, which means I spend all day in a wheelchair, I do however need my PA to assist me with a few things such as washing, dressing, shopping, picking up things when I drop them, daily chores like laundry, washing up etc.

By the way, I like my PAs to be chatty (but know when not to talk) and have a good sense of humour.

To apply you must:

- Hold a full driving licence
- Hold a valid UK work permit
- Be aged between 21-40
- Speak fluent English

If you are interested in becoming a Personal Assistant please fill in the on-line application form.

This post is exempt from the Employment Equality (Age) Regulations 2006 as per section 8(2).
